

WELCOME TO DAVID GLASGOW FARRAGUT HIGH SCHOOL

TO: Students and Parents of DGF High/Middle School

The faculty and administration of DGF High School are pleased to welcome all students - new and returning. We are looking forward, as we know you are, to a successful and rewarding year in secondary education.

DGF High School is **OUR** school. It belongs to the American community. DGF has the reputation of being a very good school -- one where students, parents, staff and community work together, and one where we all take pride in its accomplishments. We look for that reputation to continue. We want to be proud of our school in every respect and this requires that we care about the school and one another.

Let us assure you, parents, students, and community alike, that we are interested in your concerns. We welcome your opinions and solicit your help. Please feel free to call us any time you have questions or concerns about the school.

A good school depends upon all of us working together -- students, parents, teachers, administrators, and community. We trust your experiences with DGF High School will be both memorable and rewarding.
